## Washington Spaces Announces 2009 Design Awards Rolyn Companies on Winning Team

**Rockville, MD, November 6, 2009:** Rolyn Companies is pleased to announce a residential rebuilding project was recently awarded Outstanding in the third annual Washington Spaces 2009 Best of Kitchen Spaces Design Competition. Out of a total of 43 entries, their project won Outstanding in the Contemporary \$75,001 - \$150,000 category.

Rolyn Companies was the general contractor working alongside kitchen designer Contemporaria and architect Salo Levinas, Shinberg. Levinas Architects to deliver this very sleek and modern kitchen.

"This project might also be named the Phoenix kitchen since it literally arose out of the ashes," commented Sam Bergman, CEO of Rolyn Companies, a disaster recovery and restoration firm headquartered in Rockville, MD. "Rolyn was originally called in by the homeowners because their home burned down. Rolyn cleaned up following the fire... and helped rebuild the home."

The homeowners worked closely with Contemporaria and Salo Levinas to rebuild their dream home, transforming what was a typical Maryland home into an award winning home.

### About Rolyn Companies

Rolyn Companies is an award-winning, privately-held, full-service disaster recovery, restoration, and specialty construction firm headquartered in Rockville, MD. Rolyn has successfully completed nationwide disaster response, remediation, demolition, restoration and reconstruction projects for commercial, hospitality, industrial, government, educational, multifamily, and health care facilities throughout the country for over 30 years.
