## Rolyn's Texas Office Renovation Completed

**Rockville, MD, September 5, 2010:** Rolyn Companies, Inc. is pleased to announce that a renovation of its Texas office is now complete. Rolyn Companies established an office in Texas, just south of Houston, in 2005 to support its response efforts following Hurricane Katrina. Since then they have continued to provide emergency services and disaster restoration to numerous clients in the area and outgrew their prior space. As a result, they recently purchased and renovated a commercial building on a large tract of land which has allowed the expansion of administrative offices, warehouse space, and secure storage for trucks, generators, and equipment onsite.

The office has a full complement of equipment on hand including dehumidifiers, air scrubbers, pumps, and fans. Kirk Harstad, General Manager for the Texas office said, "The renovated spaces will allow us to work more efficiently behind the scenes as we respond to emergencies and provide other services to our clients in the Southwest region."

The office is located at 2623 Gulf Freeway, Dickinson, TX, 77539. The phone number is 281-614-0718.
